

Sea-view apartments and penthouses in Estepona

Location: Estepona

Price: 549,000 € - 879,000 €

New project of luxury apartments and penthouses situated in Estepona, between the Sierra Bermeja Mountains and the sandy Costa del Sol beaches.

The project is within walking distance of nearby beaches and five minutes from the white-walled town center of Estepona with its popular square filled with bars, restaurants and shops.

The locality means you have everything at your fingertips from fantastic and international healthcare, education, sports to cultural activities.

Inside your new home you will find spacious and elegant rooms, all pleasing on the eye and encompassing state-of-the-art technology with a domotic system, eco-friendly air conditioning throughout and underfloor heating.

Large floor-to-ceiling windows maximise natural light in the properties and offer spectacular views.
