

# Townhouses in Alhaurin de la Torre, Malaga

## Location: Alhaurin de la Torre

## Price: From 195,000 €

This development is composed of 14 ideal town houses with private gardens, communal area and swimming pool.

The estate is designed with modern architecture, where straight lines and colours combine in perfect harmony with the interior. Its privileged orientation towards the northeast and southeast permits bright spaces with an abundance of natural light.

All homes have private parking, entrance porch and private garden. A modern staircase allows access from the ground level with guest bathroom, fully fitted and equipped kitchen integrated into the living dining areas, to the first floor with three bedrooms and two bathrooms, and finally down to the semi basement/playroom; the most adaptable and versatile area for all the family.
