To make the most of the bright Mediterranean light, the homes offer open spaces that fit in with the natural surroundings and outlooks that allow you to enjoy the sun until the last moment in the day. The use of glass in the architectural design allows the sun to enter the rooms, filling them with light and warmth.

The properties have been created to give you a dream home so you can enjoy your new lifestyle in the sun to the full. There are both private and common areas for you to associate with wonderful moments and stories of leisure and fun. Each townhouse has been carefully designed for those who demand extra space and privacy. The large living rooms are connected with bright open plan kitchens that invite you to share every moment, the construction systems and finishing standards guarantee an exquisite quality in very fast terms.
