

Apartments and penthouses in Mijas

Location: Mijas

Price: From 286,000 €

The closed residential complex consists of 36 apartments and penthouses. Thanks to the natural elevation of the property and the design of the buildings, all apartments have sea view. In the residential units with three bedrooms, building materials of the highest quality are used. Fully-equipped kitchens with silestone worktops, designer bathrooms with underfloor heating, air-conditioning and terraces with glass verandas allow you to enjoy a natural and bright daylight with sea views in the residential units. All housing units have a garage and a storeroom.
