

Modern frontline golf villas located in El Campanario

Location: Estepona

Price: 1,305,000 € - 1,755,000 €

5 Modern frontline golf villas with luxurious qualities and exceptional finishes. Located in a privileged location in El Campanario. The project is in its last phase of construction.

The villas consist of a ground floor, an upper floor and a bright and habitable basement. The villas mainly consist of 3-5 bedrooms and 3-4 bathrooms, with the option to customize. The open and diaphanous spaces and large floor-to-ceiling windows of minimalist design allow the house to be flooded with light throughout the day, thus creating the feeling that nature enters your home as part of it. They are designed with details that make the difference.

The use of natural materials and colors or the natural light that prevails in each of the rooms have created a different and warm modern villa. The villas are located in the exclusive area of "El Campanario" a few meters from the club house with its exquisite restaurant, its tennis and paddle courts, spa, gym, swimming pool and its golf course.

Just a few minutes by car we can find: Puerto Banús, Estepona or Benahavís. In the surroundings are the best international schools, restaurants and 1 km from the beaches
