An urbanization of luxury villas, with a view to a real life, full of possibilities to develop a full life in terms of:

- Privacy, to live a full life; and individual and family enjoyment, in an exclusive environment.
- Socialization, with the opportunity to meet new people and receive guests, in an ideal environment to connect. The possibilities are endless.
- A privileged environment, with views and very close to the sea.
- The ideal climate for the development of multiple outdoor activities. Large number of sunny days to make the most of your free time.
- Well-being, by breathing, in all senses.
- Closeness to points of interest: the city, the main services, sites of tourist interest,
