

Luxury apartments in Benahavis

Location: Benahavís

Price: From 2,200,000 €

This is the fourth project developed in the Real de La Quinta Residential Country Club Resort.

Enjoying an elevated position on a sloping hillside, it truly takes advantage of the natural contours to offer stunning apartments with spectacular, panoramic views across the Resort, the Lake and the coastline.

Architecturally, this new housing development in Marbella is a careful blend of contemporary design and traditional materials which subtly blurs the boundaries between the development and the nature within which it nestles.
