

Modern style villas in Marbella

Location: Marbella

Price: 4,500,000 € - 5,950,000 €

The 6.000 m2 communal area features a huge pool, sun deck and landscaped garden, all in a contemporary style to serve as the perfect frame for our unique modern style houses.

A unique concept of modern quality design using noble and natural materials to create an eco-friendly and comfortable atmosphere.

The modern façade shows commitment to horizontality in the exterior perspective, considerable thickness in wall structure made of natural stone that offers a grand entrance and great volume.

Comfortable, functional and endowed with a long list of details providing exclusivity and identity, the villas translate into a warm and welcoming place, still giving every owner the possibility to implement his own style and personality.
